Norwich Business Men's Annual

Association Names Charles I. Smith as President-Membership and Dues Increased-To Be Addressed on Public Utilities.

The Norwich Business Men's asso- | goods in a hurry, often giving short Ars. Eugene Smith of Norwich, who has been visiting her mother, Mrs. Albert Rathbun of Noank, has returned home.

Mrs. Joseph Oat of Elizabeth street and Mrs. George R. Havens of Oak street are visiting Mrs. Haven's brother in Hamburg.

Edward Spelman, who has been employed in the local freight office of the New Haven road, went Thursday to the Norwich Business Men's association closed its first year on Thursday weight or measure. It was felt that weight or measure. It was felt that the regular local dealers, not only in this line, but in other lines of business, ought to have better protection, and for that reason that the local incomplete the new manner shourishing," as one of the members put it, after the progress of the year had been reviewed at the meeting. President Thomas F. Burns presided and the minutes were kept by Secretary Charles W. Pearson.

Nine new names were passed upon favorably for membership, bringing the directors with power.

them only \$1 and they sell out their

Nine new names were passed upon favorably for membership, bringing the total enrollment at the end of the year up to 34. The following were the new members: W. E. Holdredge, B. Gottheif & Co., Utley & Jones, N. S. Gilbert & Sons, William B. Tyler, Atlantic & Pacific Tea company, and E. A. Bardol & Co.

For the next year it was decided that the dues should be raised from \$2 to \$4 per year. The matter of licenses for itinerant peddlers and hawkers was taken up and discussed, it being understood that the present license for such is only \$1, whereas in some other places it was as high as \$5. Feddlers referred to particularly were those who come in from other states with a wagonload of fruit or vegetables which they dispose of after getting their license. The license costs them only \$1 and they sell out their ning.

PEOPLE CAN BETTER THEIR POSTAL SERVICE

By Placing Letter Drops in Doors More Satisfactory Delivery of Mail Can Be Secured.

Postmaster Carothers is sending out notices to householders regarding the convenience of having letter drops in the doors. The notices are as follows: By direction of the postoffice de-partment, the attention of patrons of this office is invited to the advantage The following have been discharged from the court of bankruptcy: Thomas H. Wilson of Norwich, Louis Weinstein of Montville and George T. Lord of Personal Court of the postonice department, the attention of patrons of this office is invited to the advantage of providing facilities for the receipt of Montville and George T. Lord of presentation of the prizes won in the presentation of the prizes won in the presentation of the prizes won in the postonice department, the attention of patrons of this office is invited to the advantage of providing facilities for the receipt of their mail by erecting conveniently accessible boxes or cutting suitable slots in their doors. Such action would enable the postmaster to give a with the means at his disposal, since the carriers can cover much more territory in less time if not compelled to wait for an answer to their ring. Private receptacles for mail are also a great convenience to the householder, obviating the necessity of responding to the carrier's call at inconveient moments and permitting the safe delivery of mail in the absence of members of the household. They also prevent the occasional necessity of a carrier counted out and that the evidence will vent the occasional necessity of a car-

is interested in furnishing the best possible service at the least expense, your compliance with the foregoing suggestions will be much appreciated.

ELEVEN YEAR OLD BOY

WAS STEALING GRAPES. Caught in the Act in Main Street and Looked Up.

Having been missing about thirty a recount. having been missing about thirty baskets of grapes lately from the stand in front of his store at No. 262 Main street, James Costandi set a trap Misin street, James Costandi set a trap on Thursday evening to catch the supposed petty stealers and before the evening was over had snared the boy that sprung the trap. Mr. Costandi tied all the baskets on the stand together so that no single one could be jerked off without upsetting the whole stand full and then stood around to await developments. They came when Arthur Ramski, 11 years old, attampted to sneak one of the corner baskets off, upsetting a big lot of grapes on the pavement, while Mr. Costandi popped out on the astonished boy, who was a success of out on the astonished boy, who was a success of out on the astonished boy, who was a success of out on the astonished boy, who was a success of the part of the success of the pavement. While Mr. Costandi popped out on the astonished boy, who was a success of the pavement. While Mr. Costandi popped out on the astonished boy, who was a success of the pavement and before the sum of the court, and before the sum of the own town of Norwich by 60 majority, and with the some time between that I was elected. I believe that enough votes were counted out in Mr. Higgins' own town of Norwich by 60 majority, and with the active, and took a keen interest in events of local and general importance.

Mr. Knight was well known in and about this city, and especially about the courts, as he had been connected with several of the Main cases in the long life on a farm that bordered on Lantern Hill, and made a success of the form of the court of the Mr. Costandi popped out on the astonished boy, who was a success of the pavement. While Mr. Costandi popped out on the astonished bear of the sum of the court of the best. He was centred to some time pavement in the other towns I am confident that I was elected. I believe that I was elected. I bel

PROGRESS MADE IN THE JODOIN PETITION.

Must Be Presented Today to a Judge of the Supreme Court-Mr. Jodoin is Confident That Recount Will Send Him to Washington. While it was expected that the pe-

tition of Raymond J. Jedoin for a recount of the ballots rejected and counted in this congressional district would be presented to the proper authority on Thursday, it was not possible to do as the time was spent in perfecting the details and getting evidence. Today is the last day in which the action petition can be made, and it must go to give a some judge of the subreme court of prompter and better delivery service this state, who must present it to the other members of the court, and at least three of the supreme court judges must ritory in less time if not compelled to hear the petition without delay, such

counted out and that the evidence will rier's proceeding on his route without delivering mail because of failure to answer his ring within a reasonable time, and enable him to make deliveries to patrons living on or near the end of the route at an earlier hour.

It has been shown by actual experience that the benefits derived by patrons of city delivery from the use of such receptacles far outweigh the small expense involved. As this office is interested in furnishing the best interested in furnishing many which were rejected for the reason that they had the cross in the party circle and in addition to that had a

cross in front of my name," said Mr. There were other things in the count also that are more important than that. I am to see Mayor Thayer of Norwich tomerrow (Friday) morning and will complete arrangements for the peti-tioning of a supreme court judge for

since history began, and I even carried Congressman Higgins' own town of Norwich by 454 majority, and with the well preserved for his years, was majorities given me in the other towns.

upsetting a big lot of grapes on the payement, while Mr. Costandi popped out on the astonished boy, who was a captive before had a chance to get away.

Policeman Charles Smith was then called on to escort the boy to the police station, where he was locked up for the night. Young Pamski is one for the night. Young Pamski is one In answer to a question as to the grounds on which they would base their arguments in the petition for a recount, Mayor Thayer stated that he would show where a large number of ballots had been thrown out that should have been counted and their should have been counted and that should have been counted, and that there were mistakes also in the actual counting. Reference was also made to other matters that would figure in the petition and the recount, if granted, but no statements were given out for

that a few corrections were made on Wednesday in the totals of votes on some of the candidates, as recorded in the Pawcatuck district. Twenty votes were added to the Pawcatuck returns on the vote for Crantall for senator and Jodoin for representative in con-gress, a mistake of 20 having been made in figuring up the totals.

"Madame Butterfly" Marquisette

This dainty, durable weave is today

the queen of all silk fabrics, so soft and delicate, yet so firm that you must wonder how human genius could produce very effective made over fancy silks; colors and black, 40 inches wide. Price \$1.50 yard.

Bordered Chiffons

Most fascinating thing you ever saw. The borders show beautiful Persian effects in combination with selfcolored satin stripes, in gown patterns only.

Plain and Jacquard weaves in col-. 140 ors suitable for both street and house

Silk Poplins

Messalines This Silk needs no introduction, as it has for some time been classed among the staple weaves, being soft and clinging, rich in colors; it is well

adapted for the most dressy gown.

Etruscian Crepes

Prices 59c to \$1.25 yard.

Oriental designs in gold on white and black grounds, the novelty of the season, used for waists, dresses and scarfings. \$2.00 yard.
